1. If you could jump ahead to any time in the future, what age would you choose?
2. How much influence do you think society and media have on a woman's perception of beauty?
3. What's the bravest thing you've ever done?
4. Have you ever received a shocking or embarrassing birthday present?
5. What's your happiest birthday memory?
6. If you could have any invention in the future what would it be?
7. What do you most dread and most look forward to about getting older?
8. What did you want to be when you grew up? Has your life turned out the way you expected so far?
9. Is there something you've always wanted to do in your life but haven't yet?
